MASTER'S MESSAGE

Brothers All,

Fall is here, and with it, the temperature will change, the leaves will start turning and eventually fall. They do this in order to make room for new ones that will come, and promise us another year, another chance, at doing their assigned duties. This is a perfect analogy for the year of the officers at the Masonic Lodges. In winter we rise, we grow and impart our energy and ideas throughout the year and when Fall arrives, we begin to prepare to end our assigned duties, to depart and make room for the next set of officers to take the reins and lead our lodge towards the next step.

I want to thank all of you, for the trust you placed in me to carry the ball and represent you during this past year. We have 3 more months to go and we have a busy schedule ahead of us.

What is to happen this coming quarter? Besides our regular scheduled meetings, we will have an Entered Apprentice degree on 9/17. This will also be the DD Visitation and Inspection night. In October, we will have our Fellow Craft Degree and in November, we will have the Master Mason Degree. In September 21, we will have an un-official open-house, where members of the community, who have shown interest in masonry, can come and learn more on who we are and what we do. On October 5th, it will be our "Help Keep Them Warm" collection Day, and on October 31st, we will be handing out candies and Cider on Halloween night.

It has been my honor to serve you!

~ *W.M. Manny Tirado*
