MASTER'S MESSAGE

Hello brothers,

Happy New Year! May God bless you all this 2025 with happiness, joy, and plenty of Sunshine. Thank you all for your vote of confidence. It's very humbling and has enriched my excitement for my master's year.

I plan on having a pretty normal year at Harmony with a certain set of degrees and a certain amount of fellowship that we all enjoy to its fullest potential. The Past Masters of the previous years and the brothers that regularly come to lodge have made it very easy for us new masters to plan and execute a successful year. Thank you to Worshipful Brother Manny for a successful year full of brotherly love.

I like to think of Harmony Lodge as the "Harmony Hive". Full of brotherhood and hardworking Freemasons that all work together for the same goal. We all have a vision of the future for our lodge, and I know that we all share this vision. Each one of us has found our niche and is proud to do their part in maintaining this successful lodge.

My goal will be to make this lodge full of honorable, trustworthy, God-fearing Masons. My hope is that I will be able to give you that opportunity to invite those one or two or perhaps three friends you have to join us in this wonderful lodge and help us perfect this craft which we all so love very much.

Again, God Bless you and your families, and thank you for this opportunity.

~ *W.M. Jason R. "Sunshine" Gadue*
