Brothers:

It is truly an honor to serve Washington Lodge as W.M. for 2025. I extend thanks to W.B. Stanley Mackiewicz for serving in that capacity for the last two years, during which we began to see a nice influx of prospects and candidates. Special thanks to W.B. Kurt O'Neill and Bro. Eric Nims for agreeing to serve for another year as Treasurer and Secretary, respectively. Those positions require a lot of extra work that often goes unacknowledged. I also want to thank the elected and appointed officers for agreeing to take on the duties of the lodge, and for your support this year.

Our main priorities for 2025 are Masonic education and improving our ability to present degrees with minimal outside assistance. In the first quarter we'll focus on the E.A. degree. We also want to continue supporting the Gregory G. Gaulton Scholarship for Cromwell High School students by holding really great pancake breakfasts in the Spring and Winter quarters. I will be reaching out to members individually for help with these activities. Those who cannot regularly attend our stated meetings, are particularly encouraged to help the lodge as it best suits you, whether it be with ritual, lodge-of-instruction, or community activities.

Fraternally,

Mitch Kostich
