Greetings from the West

Greetings from the South

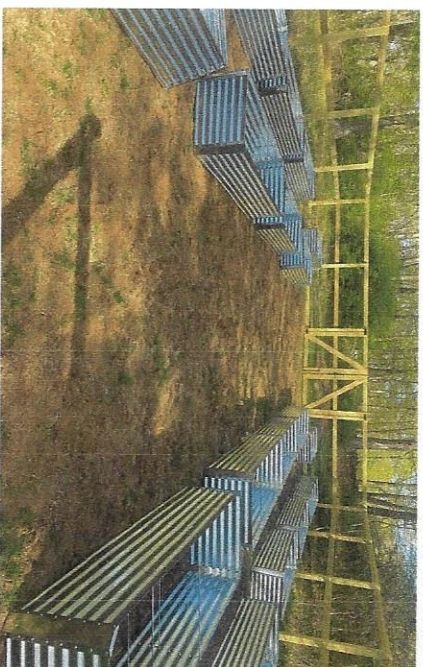

Brethren,
It's been a productive April. Our fundraiser and concert were great successes. We were able to raise over \$3500 for the American Cancer Society. We continue improving the Lodge: Parking upgrades are underway, the TransitionCT garden project is progressing, and our overall beautification effort continues. Recent repairs, fresh paint, and a bathroom refresh have made a noticeable difference. Fortunately, We managed some unplanned repairs to the furnace and hot water tank within this year's budget.

We also traveled, visiting Union Lodge No. 5 for Masonic Education and attending the Blue Lodge Council, where we met MW Ronaldo Maglione, Grand Master of Connecticut. His focus on the "Blue Wave" reminds us that while guarding the West Gate is essential, welcoming and recruiting new brothers ensures the future of the Craft.

Looking ahead, May and June will be busy months for the Lodge. Thank you for your continued support and participation.

Brothers, your Lodge, Ashlar-Aspetuck 142 will be under inspection during our June 11th Stated Communication. It is strongly encouraged that all who can attend to please do so. We will be conducting either an EA or FC degree and will need all of our Brothers assistance we can muster to put together a perfect degree not only for our Lodge but also for our candidate. Please stay tuned for further information.

The community garden infrastructure is coming together right on schedule thanks to the partnership with Tom from TransitionCT and Brother Anthony Nunes, who has been instrumental in coordinating this effort. The raised beds are in place and fencing is complete. We expect everything to be ready for planting by May 8th. It's going to be a great space for all!

My Brothers, it's hard to believe that we are five months into the year 2025, but here we are. In reflection, we have done so much this year and plenty more to come. We have a full schedule of Full Moon Fellowships for the balance of the year and we look forward to good weather for sitting out on the patio enjoying each others conversation.

We will be hosting Blue Lodge Council this month on the 28th and I do hope for a good turn-out of our brothers to support our Lodge. I could also use some help that evening in the kitchen and serving.

We also are in need of a Steward, so if you are interested please give me a shout. I could use your company sitting in the South.

If you have a favorite meal you would like to see served please let me know. I'm always interested in what my Brothers have to share. Keep well and I look forward to seeing you all May 14th.
