**Call, leave a message or a text and
we shall connect!**

My Brothers,

I want to express my heartfelt gratitude to each of you. The recent weeks have been incredibly challenging, but your prayers, support, and outreach have been a tremendous source of strength. I am deeply thankful to the Grand Architect of the Universe for seeing me through my battle with sepsis.

As I've walked this medical journey, I've been reminded, more clearly than ever, how powerful and important Masonry is in my life. In the face of uncertainty and weakness, our Brotherhood stood strong. Brothers stepped up, lived their obligations, and showed me exactly what Masonry is all about: good men taking care of one another in times of need.

Though I'm still on the road to full recovery and feeling tired, I'm encouraged by how our Lodge continues to move forward. It's essential that we remain dedicated to our prospects, our Entered Apprentices, and Fellow Crafts, and keep our ritual work strong.

.Our Lodge thrives because of each one of you. Thank you for your unwavering dedication and support. I look forward to being back among you soon. Until then, may the Great Architect watch over you all.

Fraternally,

Worshipful Master Bob Curwen

As we prepare to go dim for the summer, I reflect on the momentum we've built so far this year. That progress is a credit to each of you and to the vision our Worshipful Master has set.

The role of the Senior Warden is to reflect that vision and help keep the Lodge moving forward, even when the lights are "low." That means checking in on prospects and guiding and mentoring our Entered Apprentices and Fellowcrafts as they progress in their lectures.

While the summer may be quiet in terms of ritual, let's stay strong in fellowship and remain active outside the Lodge room. I'm especially encouraged by the Grand Master's theme this year: food security and making a difference. Our Brother Chris Kowalski has been a standout in that effort and will be missed as his journey takes him to the West. I have no doubt he will continue serving others—especially in this regard.

I'm an established volunteer with Filling in the Blanks, based in Norwalk and serving families throughout Fairfield County. As Brother John Deer so aptly put it, "Our cable tow extends into Bridgeport." There will be opportunities for group, hands-on charity work this summer, and I'll keep the Craft posted. Even if our efforts aren't centered in Easton, they remain meaningful. Our communities are connected—and the Grand Architect of the Universe knows no borders.

Fraternally,

Bro. Kraig Gray

Senior Warden
