*Greetings from  
the East*

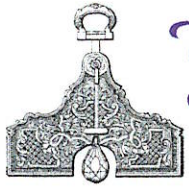

My Brothers,

This year so far has been both difficult and challenging for me. Consumed by sickness, but with the blessing of the Grand Architect I have made it through the first stage and hopefully through the September 30th process. The process of all Lodges is to rely on it's leadership. Brother Senior Warden stepped right in and continued the motion set in place in the beginning of the year. Our Wardens have demonstrated exactly what happens when emergency's take place. Thank you both for your leadership. We still have work to do, events to host and fellowship to share with educational lectures.

Let's continue our tradition.

Worshipful Master  
Robert P. Curwen, Sr.

## *Greetings from the West*

Early in the summer, we paused to mourn the passing of a Brother in our district, Worshipful Brother Chris Jennings of Temple Lodge No. 65, who had visited and participated in numerous degrees at our Lodge. His memory remains with us.

We also raised a glass at Brewport to mark Brother Alexander Holms' 21st birthday, a milestone shared in good company where we all met other young brothers from around the district.

We said farewell to Brother Chris Kowalski, who has literally traveled out West for employment to begin the next chapter of his professional journey.

Brothers gathered for a Full Moon Paddle on the Saugatuck for the second year. Once again gathering with Brothers from the district with connections to AA142.

Preparations for these years Family Cookout event, drove us to tidy up the Lodge and its grounds; special note\*\*\* the garden is looking great!

We engaged in some organized charity work and Brothers contributing time to Filling-in-the-Blanks, supporting children and families in need.

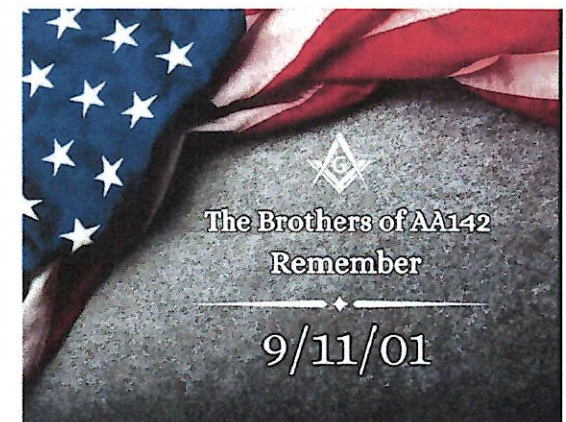

Our labors also included coordinated rehearsals for the Entered Apprentice Degree, and then initiating Stephen Crowe and Tom Pitera into the Craft. We especially felt the absence of Worshipful Brother John Deer's organ, as he continues to recuperate. Bro. John's musical talents always bring harmony to the Craft!

Looking forward, we have six Blue Wave prospects, two of whom appear to be truly interested. They may soon join our ranks, and we should prepare ourselves not only for the possibility of an Entered Apprentice Degree, but also for a Fellowcraft Degree and the raising of a new Master Mason in the near future.

I would be remiss if I didn't take a moment to reflect. As we prepared to go bright once again this late summer, we mourned the passing of a brother associated with our lodge: Most Worshipful Brother James Thomas McWain, Past Grand Master. The loss

of esteemed Brothers Jennings and McWain marked the beginning and end of the season, serving as a reminder of man's mortality. Masonic symbols, such as the hourglass and the scythe, remind us that time is fleeting and that death comes for everyone, regardless of their station in life. These symbols do not convey despair, but rather urge us to use the time we have wisely. As Masons, we should stand and live uprightly, ensuring that when our own time comes, we leave behind a lasting legacy of Brotherly Love, Relief, Truth, and honor.

Fraternally,  
Bro. Kraig Gray  
Senior Warden
