

**Children's Dyslexia Centers, Inc.**  
**We Believe in a Child's Success**

Our dedicated educators make a difference in the lives of children with dyslexia every day through their work. The mission of each Dyslexia Center has three components:

**Educator Certification**

To train tutors in the art, science, and practice of tutoring children using the Orton-Gillingham approach to multisensory teaching of reading, spelling, and writing.

**Student Education & Support**

Provide the highest quality, state-of-the-art, multisensory tutorial reading and written language instruction to children with dyslexia.

**Scientific research**

Advance the body of scientific knowledge of dyslexia by supporting clinical research to improve today's standards and tomorrow's care.

In Connecticut, this mission is carried out free of charge, regardless of race, color, sex, creed, sect, or Masonic affiliation.
