Greetings from the West

Brethren,

Thank you to the Brothers who stepped up and assisted at the recent Cookout with TransitionCT. Your time and good spirits transformed a simple gathering into a living embodiment of our tenets, especially Brotherly Love, which we are taught to carry beyond the Lodge and into the community, and in this case, to a community all too often overlooked by many in society. Meeting them on the level at the cookout is good for the soul. (oh and Dennis says Hi!)

Dawn has once again extended an invitation for the Brothers to interact and engage with the TransitionCT individuals. These moments of connection and inclusion are deeply meaningful to them and their families, and they strengthen the bond between our Lodge and the program that shares our space. You can ask Brother Tom; it might just be the best part of your day.

This month's Masonic Education will be a presentation of the Third Lecture of the Entered Apprentice Degree.

. It will be new to some and a reminder to others, but it's foundational to the Craft. (No details here, just come ready to reflect!)

Looking principles and the Grand Master's vision into practice as we assist the Easton Senior Center with its November food drive. More to follow when we get closer to the date. When we put our talents into action, honor our oath we the world what it means to be a mason.

Greetings from the South

Greetings Brothers-

Plenty of good news coming from the South. A big thank you to everyone who stepped up and gave a hand with our annual TransitionsCT cookout. Could not have been such a great success without you!

Our November Full Moon Fellowship is taking a twist, we will be serving a full Thanksgiving dinner for all brothers, family and friends. Please **RSVP** by **Oct. 30th** via WhatsApp, with Kraig or myself, \$15 per person. You may pay at the door. Please bring your own adult beverage.

The kitchen is always looking for dinner suggestions so don't be shy. Looking forward to 2026 our Lodge will need a few new members to assist. If you can boil and egg you can cook. Thank you Brothers!
