## *Greetings from the West*

My Brothers,

Our next Lodge education will focus on the practical application of the Masonic Funeral Service. While we understand the solemnity of the occasion, this session will emphasize what it takes to perform the service with dignity and confidence. We'll review not only the words and symbols, but also the conduct and respect owed to both the deceased Brother and his family. Every Mason should understand his role and responsibility when called to render these final honors.

On another uplifting note, our annual Food Drive is off to a terrific start following a successful Friendsgiving fellowship. The generosity of the brothers is in keeping with our Masonic tenets. Let's keep the momentum going as we continue collecting donations for the Easton Senior Center. Each contribution helps a family in need realize that the Light we share inside the Lodge must also shine out into the world around us.

Brother Kraig Gray  
Senoir Warden

## *Greetings from the East*

Brothers,

It is that time of year, where we give thanks and recognition to those who stood and stand on the front lines defending the country we live in. We as a nation, take for granted the Freedom and Safety that our men and women in the Armed Forces provide. As a veteran of the United States Air Force, and Master of Ashler-Aspetuck Lodge #142, I want to thank everyone who has served, along with those who are currently serving.

On a different note, as this year is coming to a close, our Lodge has experienced good growth and membership, along with shared great fellowship with many brothers across the state. I am excited to be a part of our Lodge, because of the professionalism and energy it displays. The officers for the ensuing year will continue moving this lodge forward and exemplify the Masonic motto "Men making men better". We need to continue our progress in growing our lodge, sharing our wisdom and providing good council to our newly raised Brothers.

J. Rick Cipot  
Junior Warden

## *Greetings from the South*

On a more personal note, I would like to thank the officers and Brothers of this Lodge for helping me through a difficult health year. Your prayers and well wishes were instrumental in helping me heal. I will continue to assist this Lodge in any of it's needs.

Thank you-  
Worshipful Master  
Robert P. Curwen, Sr.

Greetings Brothers-  
What an incredible evening we all had with this months Full Moon Fellowship. The event took on a new name, Friends-Giving, opening our Lodge to family and friends.

In addition, we kicked off our annual Food Drive in conjunction with the Easton Senior Center. We are not only collecting non-perishable food for the drive but also accepting monetary donations to assist in the drive. Grand Lodge of Connecticut will match us dollar for dollar of up to \$1,000! Please contribute within your cable tow to this wonderful cause.
