*Greetings from
the East*

Gentlemen/Brothers;

As the New Year is upon us, I would like to express my gratitude for the confidence you have placed in me to lead this lodge for another year. This year we will bring forward the following categories; Fun, Fellowships, Educations, Lectures, Traveling, and Family Social events. I am asking if we can all stay engaged within lodge events. It doesn't matter how big of a role or how small of a role. The key word is "engaged".

As Master of this Lodge, I am asking you, what role do you want to be a part of? What would you like to see us do? Nothing is besides us. I want us to balance those six categories above into the functions and events we do. Which should make for a better learning experience.

So I am asking again, what would you like to see in lodge? Let us grow together, be charitable and have fun this year like a Family.

Remember "Masonry is only as good as you make it"

Thank you, and may God Bless
Whorshipful Master
Robert P. Curwen Sr.

*Greetings from
the West*

Brethren,
As we begin a new Masonic year, I look forward to supporting our Worshipful Master and working together for the good of AA142. The health of any lodge comes from the willingness of its members to remain engaged, whether their role is large or small.
There is a Native American proverb that says, "The strength of the pack is the wolf, and the strength of the wolf is the pack." This truth applies not only to AA142, but to Freemasonry as a whole. Each brother matters, and together we are stronger than any one of us alone.
For those of you who may feel your cable tow is stretched thin by the many demands of the outside world, perhaps a New Year's resolution is to ensure you make time for the most important events in Masonry. All events have value, but it is our ritual that makes us unique as Masons. It is through ritual that we are reminded who we are, what we stand for, and the obligations we share.
By staying involved and supporting one another, we ensure that this Lodge, and our Fraternity, continues to grow and thrive.
Fraternally,
Bro. Kraig Gray
Senior Warden

Greetings my fellow Brothers-
As you can see from our projected annual schedule we have a busy, engaging schedule for 2026. I am honored to continue leading our kitchen brigade for our meals and special events. If you have a suggestion for a special meal please do not hesitate sharing your thoughts with me. I am always open to expanding my personal recipe book. You will notice that our meal choices are getting expanded due to our brothers needs and I will always work to accommodate any Brothers dietary restrictions.
Thank you- Junior Warden, J. Rick Cipot
