Meeting Minutes

The lodge opened on the Fellowcraft Degree in due form at 7:30 pm with thirty (30) brothers in attendance. After the opening Lecture and The Pledge of Allegiance to The Flag of Our Country, WB Dante Pezzolesi proceeded with the work of the evening.

The Secretary posted the minutes for review by the brethren.

The degree then started with 3 EA's seeking more light in masonry. Brother Tim Devot conducted the brothers masterfully to the south, then west, then east where they were then taught how to approach the east as fellowcraft by WB John Piper. The brothers were then placed in due form to be made fellowcrafts where WB Dante gave a very good obligation. After taking their obligation and being brought to light, the brothers were then taught how to wear their aprons as fellowcrafts and then presented with the working tools by Brother Chris Sanders who did an excellent job. The brothers were then returned to the place from whence they came, and the lodge went to refreshment at 8:45pm. The master then resumed labor at 9pm, and RW Micheal Northrup delivered a superb middle chamber lecture. Following this, the brothers then received a wonderful stewards lecture from the Mike and Mike duo (Micheal Cantwell and Micheal Mativick) and lastly the charge was flawlessly given by Micheal Cantwell. This concluded the lectures of the degree and the 3 new fellowcrafts were then congratulated by the WM and the rest of the lodge.

The following advertisements were then presented to the lodge:

1. Brainard 102 will be having an EA degree on February 24th with a 630pm dinner and a 730pm degree start.

The Worshipful Master then recognized the past masters who were present and proceeded to close. RW Craig Pedro gave last words and brought the warm and fraternal greetings of **Brother Ronaldo F. Magliano Jr, Most Worshipful Grand Master of the Grand Lodge of CT. AF & AM.**

The lodge closed at 10:15 P.M. in due form.

Attest, WB Andrew Pedro II, Secretary
