Message from the East

My Brothers,

After a long winter, spring is finally upon us and with it we find new beginnings, new growth, and new opportunities. This reminds us that we as Masons and as a Lodge that we can experience a season of new beginnings, growth, and opportunity.

We have a strong lodge my Brothers. This is evident by the full sidelines and the numbers of Brothers who travel and attend Blue Lodge together. Let's seize this opportunity of strength and renewed commitment to experience a "Spring" at Friendship.

I challenge each of you to take this opportunity to evaluate how you can make our lodge stronger. It could be by taking on a project, learning a new lecture, or just by coming back to visit the lodge after an extended time away.

Fraternally,
WB Jake Manke
