Dear Brothers of Harmony Lodge No. 42,

On behalf of the staff and students of the Connecticut Dyslexia Centers, I would like to extend my heartfelt thanks for your generous support of our 2026 Dyslexia Awareness Walk, as evidenced by your Platinum-level donation of \$1,000 received on June 18, 2026. This year's Walk has been renamed after one of Harmony's own. It is now known as the Russell W. Griswold Walk for Dyslexia Awareness, in recognition of his many years of service as the Walk Chairman.

Since the very beginning in 2002, the Brothers of Harmony Lodge has always supported the Center. This includes not only generous financial contributions but also countless volunteer hours supporting the Center's events and assisting with the maintenance and upkeep of the building and property.

For 24 years, The Children's Dyslexia Centers of Connecticut have been changing the lives of school-aged children with dyslexia by providing individualized one-on-one tutoring sessions for children and conducting annual tutoring training. Since 2002, we have served hundreds of children and certified nearly 100 tutors, many of whom have gone on to tutor numerous children outside our network. All in all, we have provided approximately \$4 million in services at no charge, and none of this would have been possible without the generosity of donors like you. You have the satisfaction of knowing that you have helped make life better for many children and their families.

I am very proud to know that the Children's Dyslexia Centers can count on your compassionate support, now and in the years to come.

If you require additional information or would like someone from the Center to speak on Dyslexia at one of your meetings, please do not hesitate to contact the Center by phone or email at Waterbury@CDCINC.org.

Sincerely,

A handwritten signature in blue ink that reads "Cheryl A. Sharkis".
