MASTER'S MESSAGE

Brothers All,

First Quarter of this year is up and we look forward to the next. Let us take a moment to reflect on what we have accomplished. During last quarter, we held three degrees, (EA, FC & MM). This is a great accomplishment; I want to thank the officers for stepping up, and doing what needed to be done! Special thanks to the "Garabaldi Team" for stepping up, with short notice, to cover the EA degree following a special request from Grand Lodge! BRAVO!!!

We had our yearly "George Washington Dinner" This was a success! Thank you everyone who attended and a special thank you to the Brothers that worked hard to organize it and worked it! GRACIAS!

What is to happen this coming quarter: Besides our regular scheduled meetings, we will enjoy a Table Lodge on May 2nd. Let us not forget our "Ben Franklin Dinner" on June 8th. Information on this event will be available soon.

I would like a moment to acknowledge two past masters who have been greatly involved with the Grand Lodge movement called "Project Blue Wave". This is where the public can go to the Grand Lodge website and inquire about information on masonry, and the request is forwarded to the lodges. For us, Gary Rosengrant, PM and Hall Elwell, PM, have been in charge of contacting the prospects and providing information to see if they are good candidates. This has been a daunting task, (to say the least), for both of them and I want to thank them for all they do!

I leave you with this though...

Let's Re-Ignite the Masonic Fire!!!

~ *W.M. Manny Tirado*
